

TP SERVICES GROUP LLC

YOUR PROFESSIONAL SECURITY PROVIDER

Our security services can be adapted as desired and offer you state of the art protection. You can also let us secure your property while you are on holidays. We provide Swiss quality service to customers in the USA and Switzerland with many satisfied customers who value and enjoy our Swiss quality work.

WHAT WE DO.....

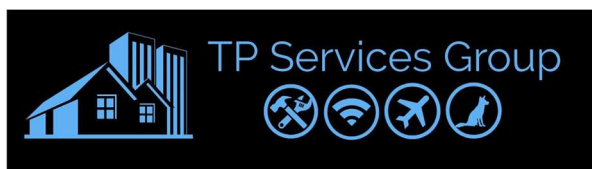

We plan, install and configure your security or house automation systems. We can also monitor these systems live 24/7, so every incident is noticed and taken care of in real time. You can choose between 3 service grades.

Our service rates:

- Installation of wires and devices \$ 45.00 / hour *
- System configuration \$ 85.00 / hour *
- Support (if no Support Contract) \$ 25.00 / 15min
- Creation and storage of backups \$ 50.00 / hour

* Favorable daily rates also available

** One-time activation fee \$ 49.00 not included
